The Director of Central Intelligence

Washington, D. C. 20505

4 September 1986

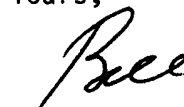

Dear Jack,

I appreciated the note you wrote about the article on the CIA [redacted] published in the Foreign Report of the Economist. The story is mostly bunk and the talk they described as having been made at our headquarters never happened. I appreciate your writing a note of explanation on the way to handle it.

STAT

Hope to see you soon.

Yours,

William J. Casey
